

Catifa Up

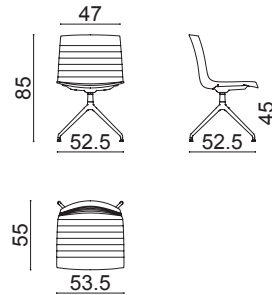

Design by Lievore Altherr Molina, 2017

Art. 6200

Chair with polished or powder-coated aluminium swivel trestle base. The shell in white polypropylene is upholstered in fabric, leather, coated fabric, fabric or customer's material. Aluminium armrests are offered in the same finishes of the base. The optional armrests must therefore be included when placing the order, because they can be assembled only on compatible shells.
